

Camp New Moon

Outdoor Education Program

The Outdoor Education Program at a Glance:

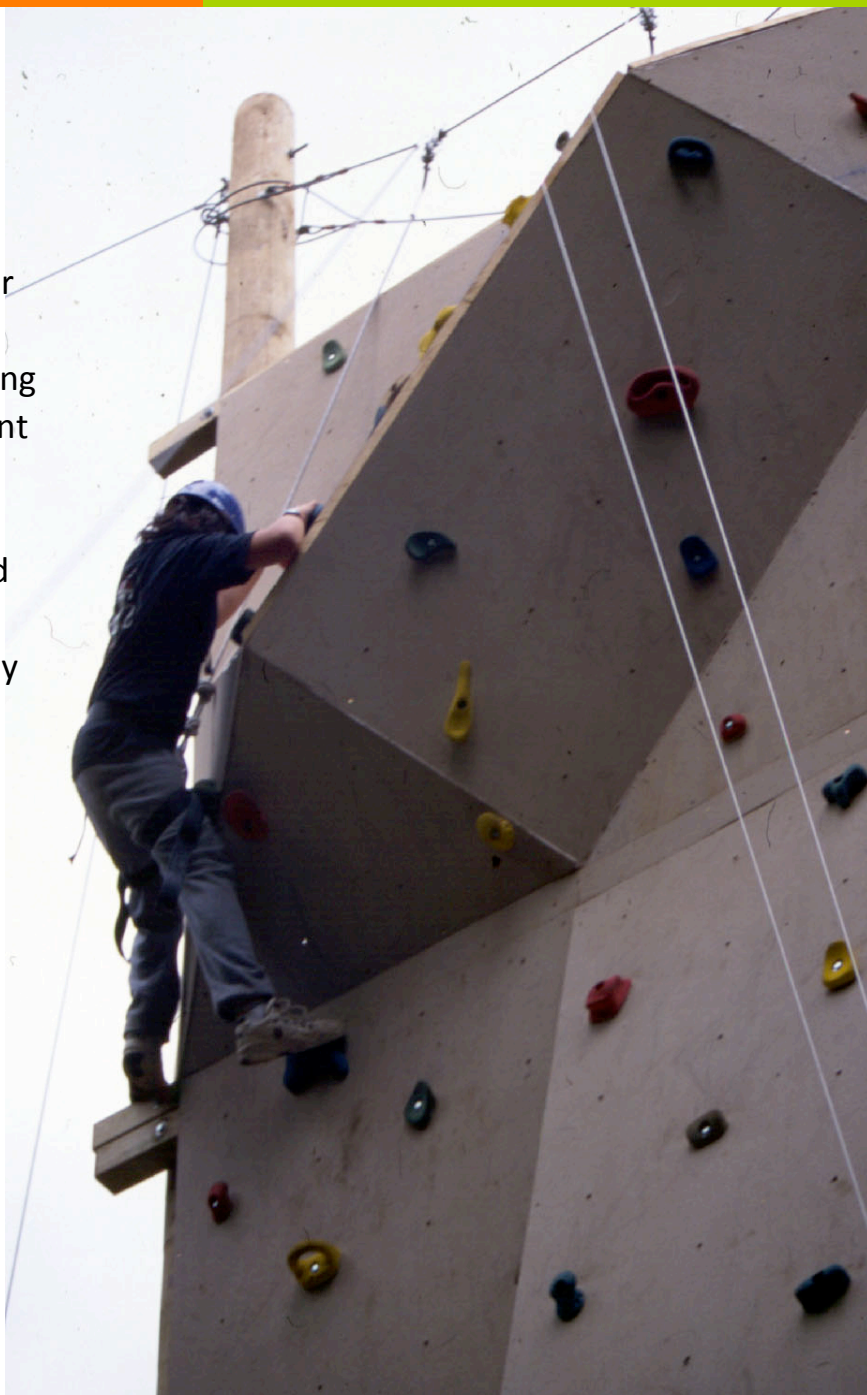

We provide an enriching educational experience for school groups that promotes an inclusive, team-building atmosphere. Activities from Challenge Ropes to racing a War Canoe are led by trained staff. The objective is to provide a novel, fun and rewarding group event as the school year ends, or a team-building opportunity in September.

Customized for Your Needs and Objectives

- Choose June or September for your program
- We work with your teacher/planning team to build the program you want
- Our instructional team provides a mentoring role to students: they work with children and understand them
- Program lengths can vary, generally lasting 3-4 days

Sample Activities

- Cooperative Games
- Games of the World
- Challenge Ropes (low and high courses (TDSB-Approved))
- War Canoe
- Canoe
- Kayak
- Mountain Biking
- Hiking
- Sporting fields and courts

Need Help Planning?

We will work with you and help plan a successful experience for both the students and teachers.
