

Camp Weddings

Camp New Moon

A perfect blend of summer camp and a flare of elegance.
Fun, intimate and unique.

Affordable, Customized Packages: Do it Your Way!

There are many ways to make a camp wedding a success, and your weekend can be packaged according to your needs. Most plans include a Friday night dinner and evening stay for the wedding and planning party, with guests arriving on Saturday in time for lunch, followed by an afternoon of activities and fun. A romantic wedding ceremony overlooking the lake begins the evening, with hors d'oeuvres and the dinner reception immediately following. A Sunday brunch caps the weekend off, completing a memorable and unique weekend. This is just one option. There are many variations on the theme, and we're here to help customize your wedding according to your needs. You can choose to add various activities such as our challenge ropes course, waterskiing and pontoon boat touring – or organize activities on your own. You choose. It's your weekend!

The Food and Other Details:

Our food is excellent and meals can be tailored to suit your needs and budget. From a full outdoor barbecue lunch to beef tenderloin and baked salmon, we can prepare your meals as nicely as any banquet hall. Plated service can be arranged, but buffet service with chaffing dishes works most effectively. Late night snacks including mini-grilled cheese, poutine and of course, "s'mores" around a campfire can be arranged as well. Special dietary needs are easily accommodated.

The wedding reception hall (our dining room) can be transformed into an elegant venue by the use of china, glass wear and table cloths using a local rental company if this is your desire. A bar service can also be arranged if desired. Most wedding parties use this service for the reception dinner only. You can arrange the dining room as you wish, along with decorations, special lighting and centerpieces.

What to Expect

A camp wedding nicely mixes the casual with a taste of elegance. Your guests can enjoy a game of baseball, canoe or play beach volleyball, later changing into more formal attire for your wedding and reception, overlooking the beautiful Lake of Bays. Cap off your evening with a campfire. Classic!

Accommodations are in newly rebuilt camper cabins, with built-in bunk beds, electricity and washroom facilities. Central shower houses are close to all cabins. A limited number of private cabins are available for families or those you wish to accommodate, all with private washrooms.

What will it be like? Relaxing and fun for everyone! This will be a unique and a wonderful weekend that will be remembered by everyone lucky enough to share this with you!

Basic and Optional Activities

The camp rental fees include:

- All meals and evening snack
- Sole use of the facility
- Accommodations
- Basic facilities including tennis and sports courts, swimming, baseball fields, basic sports equipment (basketballs, baseball equipment)

Additional activities can be arranged for a nominal fee to cover staffing and expenses, including
